## WINE LIST

Our list champions smaller, family run producers with an emphasis on sustainability, a sense of place, and terroir.

*"Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing."*

**Ernest Hemingway**

## WINE PAIRING

Enjoy a selection of wines paired to each one of your courses. We champion up and coming regions, alongside some more classic wines, and often feature some more experimental pairings. Not for the faint-hearted.

*"Wine can be a better teacher than ink, and banter is often better than book"*

**Stephen Fry**

## ENGLISH SPARKLING WINE

We are situated in the epicentre of the English Sparkling Wine Revolution. The South of the UK is currently one of the most exciting regions in the world for sparkling wines. English sparkling wine offers great value compared to the big Champagne houses, and we want to showcase the incredible quality of some local, big and small.

Wines are usually made from traditional Champagne grape varieties, the main three are Chardonnay, Pinot Noir, and Meunier. The production method in the UK is usually what is known as the traditional method, with a few exceptions (looking at you Pet Nat). The traditional method involves a secondary fermentation that occurs in bottle, this is what gives the wine its bubbles, as the carbon dioxide produced during fermentation has nowhere to escape to, thus carbonating the wine.

The same stratum of chalk runs under the Channel and influences the terroir of Champagne and the South of England, and both regions are climatically similar, with our mosaic of greensand and chalk soils giving us a unique spectrum of terroir. The UK's cool, marginal climate is perfectly suited to the production of traditional method sparkling wine, as subtle citrus led flavours are ideal for the base wines, allowing toasty and creamy notes to develop from lees ageing.

### **HOFFMANN & RATHBONE** Mountfield, East Sussex

Based just north of Battle, this small boutique winery is run by husband and wife Ulrich and Birgit. Their wines spend extended time on their lees, and are richer and more gastronomic than other English sparklers.

Blanc de Blancs   2011	85
Classic Cuvée   2014	75

### **NYETIMBER** West Chiltington, West Sussex

Since their first vines being planted in 1988, to the recent release of their prestige 1086 cuvee, this winery has been collecting accolades, and pushing quality wine production in the UK. Their vineyards are scattered across the varying chalk soils of Sussex, Hampshire and Kent, and their West Sussex estate is probably the most picturesque, and technologically advanced in the country. In 2018 winemaker Cherie Spriggs became the first person based outside Champagne to win winemaker of the year at the IWC.
